Blue Ridge Trail

Distance: 0.47 miles Blaze Color: Green
Difficulty Level: Moderate
Key Features: Geology, Spectacular Views

Trail Notes: A serene moderately difficult hike through one of the most beautiful wooded trails at the Legacy. Enjoy the creek and perimeter views as you stroll along this soft walking trail. A small pond located on the trail provides for a moment of relaxation as you round the trail to finish next to the golf course.

Parker's Creek Trail

Distance: .51 miles Blaze Color: Green
Difficulty Level: Moderate
Key Features: Creek, Nature

Trail Notes: Parker's Creek Trail provides hikers with a short, forested hike along Parker's Creek. A great wooded trail to cool off on as you walk under the beautiful hardwood trees. The Parker's Creek Trail has stunning creek views that provide instant solace. If you wish to continue on a soft walking trail, you can pick up the Blue Ridge Trail. It also runs parallel to the paved Poplar Forest Trail. This is an ideal trail to observe a natural creek setting.

Lower Poplar Trail

Distance: .07 miles Blaze Color: Green
Difficulty Level: Easy
Key Features: Hardwoods

Trail Notes: The Lower Poplar Trail is a breathtakingly beautiful short hiking trail filled with pond and meadow views. Besides its natural beauty, it is a popular soft walking trail that directly connects with the Poplar Forest Trail. It's a great trail to take your bike from the pavement to a more natural setting that provides for a short run of biking challenges.

Legacy Creek Trail

Distance: 1.23 miles Blaze Color: Green
Difficulty Level: Difficult
Key Features: Creek, Birds, Hardwood Forest

Trail Notes: Although this signature trail is one of the more difficult soft walking trails, it is filled with tremendous natural views. Easily accessible from community sidewalks, this vigorous trail takes you along some of the more scenic views of the Legacy community. It runs parallel along the Legacy Creek and the pond system. It is a beautifully challenging hike.

Skyline Trail

Distance: 1.25 miles Blaze Color: Green
Difficulty Level: Moderate
Key Features: Spectacular Views, Meadows

Trail Notes: The Skyline Trail provides vista views of the Northeastern portion of the Legacy community. This trail offers a moderately demanding hike. But the views make this trail worth the challenge.

High Ridge Loop

Distance: 1.19 miles Blaze Color: Green
Difficulty Level: Moderate
Key Features: Hilltop Views, Hardwood Forest

Trail Notes: Sidewalks, and the paved Lower and Upper Skye Trails easily access this loop. It is a spectacular hike around one of the most stunning meadow views at the Legacy.

Poplar Forest Trail

Distance: .19 miles Blaze Color: Green
Difficulty Level: Easy
Key Features: Short Hardwood Trail

Trail Notes: This short easy trail runs parallel to its sister paved trail, Poplar Forest Trail. It is a pleasant break from the paved trail. It is a short distance soft walking trail that highlights views of Parker's Creek.

Audubon Park Trail

Distance: .40 miles Blaze Color: Green
Difficulty Level: Easy
Key Features: Birds, Butterflies, Meadows

Trail Notes: This trail has something for everyone. It is a soft walking trail that has a nice pond with a walking loop around it. The trail highlights all the natural components found geographically at the Legacy at Jordan Lake.

Hickory Run Trail

Distance: .31 miles Blaze Color: Green
Difficulty Level: Moderate
Key Features: Ecology, Dense Hardwood Forest

Trail Notes: The Hickory Run Trail is the connecting trail between the Lake side Trail and the Poplar Forest Trail. The trail provides hikers with easy access to wooded areas without taking you on a long hike.

Lakeside Trail

Distance: .42 miles Blaze Color: Green
Difficulty Level: Moderate
Key Features: Lake Legacy to Waterfalls

Trail Notes: The Lakeside Trail is a winding soft walking trail. It is central to the community sidewalks, but its location presents a nature retreat. It is congruent with the Legacy Creek, which provides a soothing whisper as you stroll along this winding trail.

Golfers View Trail

Distance: .11 miles Blaze Color: Orange
Difficulty Level: Easy
Key Features: Vista, Golf View, Manor House

Trail Notes: A fun, paved short trail that connects you with the Manor Clubhouse and the short irons golf course. It is ideal for a peaceful evening stroll after dining at the Manor Clubhouse.

Pine Trail

Distance: .06 miles Blaze Color: Orange
Difficulty Level: Easy
Key Features: Short Connection Trail

Trail Notes: The Pine Trail is a paved golf cart trail that connects with the community sidewalks and the In-Line Park Trail. It is ideal for rollerblading and biking.

Lower Skye Trail

Distance: .15 miles Blaze Color: Orange
Difficulty Level: Moderate
Key Features: Elevation Change, Vista views

Trail Notes: A moderately difficult paved golf cart trail that connects with the challenging Upper Skye Trail and the soft walking High Loop Trail. It is ideal for bike riders that enjoy mixing up their routine between on and off road bicycling.

❄️ (winter) Blaze Color: Blue

The NC Snow is a magical time. This trail converts into a exhilarating novice sled run for the beginners. So grab your sleds and enjoy the day.

Upper Skye Trail

Distance: .13 miles Blaze Color: Orange
Difficulty Level: Moderate
Key Features: Vista View, Hardwoods, Birds

Trail Notes: This is a steeper paved trail. It is a challenging paved trail that connects with the soft walking High Loop Trail. Again for those that love intensive workouts – running, power walking, bicycling, or rollerblading - this is the trail for you.

❄️ (winter) Blaze Color: Blue

This trail converts into a exhilarating fast sled run for the expert. So grab your sleds and enjoy the day.

Manor House Trail

Distance: .17 miles Blaze Color: Orange
Difficulty Level: Easy
Key Features: Vista Views, Club House

Trail Notes: An elegantly paved trail that connects the golf course and amenities area with the Manor Club House. A leisurely walk after a stylish dining experience is an ideal way to take advantage of this paved walking trail.

Poplar Forest Trail

Distance: .28 miles Blaze Color: Orange
Difficulty Level: Easy
Key Features: Dense Hardwood, Creek, Nature

Trail Notes: This trail is parallel with its sister soft walking trail, the Poplar Forest Trail. It is a short paved trail that is an easy jaunt for a person that enjoys walking, jogging, bicycling, or rollerblading.

In-Line Trail

Distance: .68 miles Blaze Color: Red
Difficulty Level: Easy
Key Features: Meadow, Inline park, Deer

Trail Notes: This is an awesome trail! It is very easy to tackle and its paved way makes for a very scenic tour of the heart of the Legacy. It circles the Manor Club House, the short irons golf course, the ponds and the lake. It intersects briefly with the Legacy Creek Trail while running parallel with the sidewalk systems at the Legacy. It is the pulse of the walking trails at the Legacy.
